Teaneck, NJ 07666

September 23, 2019

Dear ESP Member,

Wednesday, November 13, 2019 is Bergen County's **EDUCATIONAL SUPPORT PROFESSIONALS' DAY** – a day to honor the hundreds of **Extra Special People** who make our schools run efficiently and effectively – a day to honor each of you for the work you do every day, every year in your school system.

This year the Bergen County Education Association has chosen to hold a dinner workshop for all Educational Support Professionals in Bergen County. The workshop will be held at the Venetian in Garfield, New Jersey. The topics of the workshops will be **"Internet Safety and Cyberbullying for all ESP"**
The information presented in this session will allow you to be a more effective member in your local and to develop strategies to deal with the problems you face in your district and in your personal life.

It is important that educational support staff members from each district attend this workshop and bring information back to his/her local. We have attempted to keep the cost low to encourage support staff members and all-inclusive local officers to participate in the program. The cost to each attendee will be \$20.00, which will include the workshop and dinner. Please check to see if your local association has budgeted local monies for members to attend this conference.

Please return the reservation form (see reverse side) no later than November 4, 2019 with your check in the amount of \$20.00 for each person attending. For non-members the fee is \$55.00.

Sincerely,

Jenn Clemen
BCEA Treasurer
