BERGEN COUNTY EDUCATION ASSOCIATION

BCEA REPORTER

The Official Newsletter of the Bergen County Education Association Esther Fletcher, Editor

Dear
Colleagues
and Friends,

Across the state and throughout Bergen County, BCEA members demanded action in 2019, speaking up, demonstrating, and making sure educator voices were heard—for our students, our profession, and for working families.

Our commitment to attaining job justice and Ch. 78 relief energized and unified all of us for the work ahead.

We must start now to push our education issues to the forefront of the legislative agenda. We must now make sure that every voter in Bergen County understands that supporting pro-public education candidates is critical to ensuring quality public schools, well-supported students, and a promising future for our society.

The work we do in the election season is an extension of the activism we began in the spring. Volunteer at one of our BCEA Phone Banks, door knock for one of our endorsed candidates, and encourage family, friends, and colleagues to register in time to vote on Election Day.

If elections have consequences, then so does sitting on the sidelines.

Do you part, stay engaged, and continue to fight for our students and our members, everywhere.

In unity,

Sue
